## Club of Concord-Diablo

Dear Neighbor,

I went by your house today and noticed **your fruit trees appear to have a bountiful crop.**

The *Rotary Club of Concord-Diablo*, of which I am a member, harvests excess fruit and deliver to local food banks, charities, and food pantries. I am wondering if you will be harvesting **all** the fruit for your own family? Or, would you be so kind to pick a few bags for me to deliver to a nearby Food Pantry?

***I would also be happy to pick the fruit myself or with my club members, especially from trees that are low to the ground. We also have long pole pickers to reach high up. Either way is fine, just let me know!***

*Please contact me and let me know if we can work on this:*
